Re: Correction to Supplemental Cover Sheet Accompanying Certification of Opposition (20% Rule Request)

Case No.: ZBA2026-0001 / BA2026-0001 / ZA2026-0024

Site: 9600 2nd Street NW, Albuquerque, New Mexico 87114

Original Submittal Date: July 20, 2026 (County stamp: JUL 20 2026)

Date of This Errata: _____, 2026

I. PURPOSE OF THIS FILING

This Errata and Correction Sheet is submitted to correct two scrivener's errors appearing in the supplemental document titled "Cover Sheet for Petition Signature Sheets and Certification" filed with the Certification of Opposition for Appeals to County Commission on July 20, 2026.

The cover sheet is a supplemental, explanatory document. It is not one of the three submittal requirements identified on the county's Certification of Opposition form, which are: (1) a copy of the notice of decision for the case under appeal, (2) forms with name, address, and signature for each owner asking to be included in the protest; and (3) a copy of the zone atlas page highlighting and numbering each protesting property. All three required items were attached to the July 20, 2026 submittal.

No correction is required to the Certification of Opposition form itself. That form correctly identifies the case as ZBA 2026-0001 / BA 2026-0001 / ZA 2026-0024.

No correction is required to the petition signature sheets (Exhibit 26). Those sheets correctly identify the case number and site.

The corrections below apply solely to the supplemental cover sheet.

II. CORRECTION NO. 1 -- CASE NUMBER

The supplemental cover sheet lists the case number as "ZA2026-0034" in two locations: (a) in the Case Information Block, and (b) within the Action Being Protested paragraph.

This is a typographical error.

Incorrect as filed: ZA2026-0034 / ZBA2026-0001

Corrected to read: ZA2026-0024 / ZBA2026-0001

The correct case number, ZA2026-0024, appears on the filed Certification of Opposition, on the stamped Appeal Application to County Commission, and throughout the Appeal Brief and exhibit packet. Appellant and the protesting property owners request that the record reflect ZA2026-0024 wherever ZA2026-0034 appears in the supplemental cover sheet.

III. CORRECTION NO. 2 – STATEMENT OF THE ACTION BEING PROTESTED

The supplemental cover sheet contains the following description, which is nonspecific and does not identify the underlying decision:

As filed: "Action Being Protested: The action being protested is the zoning related action identified in the official petition and certification materials and merits detailed in the appeal brief for Case No. ZA2026-0034 / ZBA2026-0001 affecting the site at 2600 2nd Street NW, Albuquerque, New Mexico 87114."

That paragraph is deleted in its entirety and replaced with the following:

Corrected to read: "Action Being Protested: The action being protested is the Bernalillo County Planning Commission's decision of July 1, 2026 (Notice of Decision dated July 7, 2026), denying Appellant's appeal and thereby upholding the Zoning Administrator's approval of a conditional use permit (ZA2026-0024) allowing a church and incidental facilities on Tract 206B, MRGCD Map 23, located at 2600 2nd Street NW, Albuquerque, New Mexico 87114, parcel A-1, containing approximately 3.37 acres. The undersigned protesting property owners oppose that approval and invoke the 20% Rule under Section 25 of the Bernalillo County Zoning Ordinance and NMCA 1972, Section 2-21-6(f), requiring an extraordinary majority vote of the Board of County Commissioners for approval of the land use application."

IV. EFFECT OF THESE CORRECTIONS

These corrections are clerical. They do not:

- add, remove, or alter any property owner signature;
- change the parcels included in the protest;
- change the acreage calculation submitted with the July 20, 2026 filing; or
- alter the substance of the protest in any respect.

No protesting owner is added or withdrawn by this filing. Each signature submitted on July 20, 2026 remains as executed.

V. REQUEST

The protesting property owners respectfully request that Planning and Development Services:

1. Associate this Errata and Correction Sheet with the Certification of Opposition and petition materials filed July 20, 2026 in Case No. ZBA2026-0001 / BA2026-0001 / ZA2026-0024;
2. Read the supplemental cover sheet as corrected herein; and
3. Confirm in writing receipt of this Errata and the date it was associated with the case file.

Please direct any questions regarding this filing to the contact person identified on the Certification of Opposition.
