9. SPR2026-0003 (Southwest / South Valley) Sites Southwest, agent for Bernalillo County Planning & Development Services, requests approval of the proposed Rank III Mountain View Sector Development Plan, which includes goals, policies, and zoning for property in the Mountain View community. The plan area is approximately 8,400 acres, generally located between Sunport Blvd. on the north, Interstate 25 on the south and east, and the Rio Grande on the west. The plan provides direction for how Mountain View can grow while preserving its rural character, supporting small businesses, and improving quality-of-life for residents. There are 3 proposed zones: an opt-in Residential (MV-R) zone north of Rio Bravo Blvd. and west of 2nd Street, an opt-in Mixed-use – Low-intensity (MV-MXL) zone south of Rio Bravo Blvd. and west of 2nd Street, and an opt-in Mixed-use – Moderate-intensity (MV-MXM) zone north of Rio Bravo Blvd. and west of 2nd Street. The Rio Bravo Commons Special Use Permit will be rezoned as MV-R in the residential area and MV-MXL for the 6 commercial lots north of Rio Bravo Blvd. with adoption of the Plan. There are 2 proposed design overlay zones: one that applies to the entire Mountain View Community, and one that applies to property frontages on major roads. The plan proposes an expansion of the existing Sunport Commerce Center Design Overlay zone along Rio Bravo Blvd. and portions of 2nd Street.

The plan focuses on promoting diverse housing options and supporting a range of economic opportunities, particularly within an existing Activity Center while preserving existing neighborhoods. The plan identifies where new development, infrastructure, and amenities can be located and how public and private investments can align with community priorities.
